UGC NET Syllabus 2024: Paper 1 & Paper 2 Syllabus PDF

The UGC NET Syllabus is one of the most crucial exam resources for candidates who are planning to appear for the upcoming UGC NET exam. The subject-wise UGC NET Syllabus is released along with the official notification. The UGC NET Exam consists of two papers – Paper 1 which will be common for all the candidates and comprise subjects related to Research & Teaching Aptitude. This is followed by the subject-specific Paper 2 in which candidates can choose from a total of 83 subjects. Candidates must not wait any further and go through the complete UGC NET JRF syllabus to know the important topics and subjects that you must study as well as the pattern of the exam in which questions will be asked. In this article, we will provide the complete UGC NET new syllabus as well as the subject-wise important topics and units that you must study to effectively cover the entire syllabus.

- The UGC NET exam pattern comprises two papers, each conducted in the form of a Computer Based Test organized by the NTA.
- While Paper I syllabus of UGC NET consists of General Studies, Teaching & Research Aptitude related subjects, Paper 2 is a subject-specific test and will be different for different candidates based on their chosen subject.
- Candidates will need to obtain the minimum qualifying marks in each of the two papers from the UGC NET Exam Pattern in order to qualify the exam.
- UGC NET syllabus for Paper 1 comprises subjects including – Teaching Aptitude, Research Aptitude, Mathematical Reasoning, Data Interpretation, Comprehension, Communication, etc..
- In the subject-specific Paper 2, candidates will be asked objective type questions based on the Master's level difficulty level of their chosen subject.
- To qualify both the exam stages, it is crucial for candidates to thoroughly study all the important topics from the UGC NET exam syllabus for Paper 1 & 2.
